Two Fires the Past Week.
About five o'clock Tuesday evening, an alarm of fire was sounded, the roof of the old foundry of the Baker Mfg. Company's plant having caught on fire. However it was soon extinguished in a short time, with small damage.
About six o'clock last Sunday morning Mrs. Margie Munger's residence was burned. Mrs. Munger had gone to attend the funeral of a cousin, Mrs. Trow, who resides about nine miles west of here, and no one was in the house at the time it burned. It is supposed that the coal stove exploded, and set the building a fire. The house which is located about 2 miles north-west of this city, was one of the old land marks in this vicinity; it was built about fifty years ago by Austin Beebe, and later on occupied by the following well known people: Messrs Richardson; Dan'l Doolittle, John West, F. Van Patten, Cushman and Mrs. Munger.
John Kleinsmith had contracted for the place, and was expecting to move there the first of March. There was an insurance of \$600 on the house, but no insurance on the household goods.

CHARLES CUSHMAN

Charles Cushman was born May 11, 1879, near Arthur, Grant county, Wisconsin. In 1897 he moved with his parents to Evansville, Wis., where he grew to manhood. On December 24, 1901, he was married to Alice Higday and to this union five children were born: Phoebe, Victor, Milo, Berandine and Eleanor. In the year 1911 Mr. Cushman moved his family to Taylor, where he lived on a farm south of town for six years. The past two years he had lived in Taylor. Mr. Cushman had been to Milwaukee on a business trip and on returning home Wednesday afternoon he was taken ill. Not thinking his case serious, medical aid was not called until Saturday, when it was found he was critically ill with influenza. Everything was done that could be done to prolong his life, but on Tuesday morning, at 5:30, January 21, 1919, the Angel of Death visited his bedside and took away the husband, father and son. He was a good husband and kind father and neighbor and shall be not only missed at home but in and about town as well.

The whole family being ill at the time of his death, and owing to the nature of his disease, it was impossible to have a public funeral, although short services were held Thursday, conducted by the M. W. A., of which Mr. Cushman was a member. Rev. Coram, of Hixton, Wis., spoke a few comforting words at the house, interment being made in the Hjerleid cemetery. He leaves to mourn his loss a devoted wife and five children, a mother, Mrs. F. W. Cushman, and four sisters, Mrs. Burr Jones, Mrs. Geo. R. Mabie, and Mrs. Crawford, all of Evansville, and Mrs. Albert Dusel, of Comstock, Wis., beside a host of relatives and friends. Sincere sympathy is extended to the sorrowing ones.

Obituary
Frank W. Cushman

Frank W. Cushman was born near Erie, Pa., on September 17, 1853. At the age of two years he came with his parents to Mifflin, Iowa County, Wisconsin. On March 29, 1874, he was united in marriage to Ida May Basye, there being born to this union eight children, three of whom, Estella Belle, Freddie Roy and Lloyd Garrison, have left this life.

Shortly after his conversion, the deceased became class leader in the Free Methodist church and acted in this capacity for several years. In the fall of 1897 he moved with his family to Evansville, and from there he moved to Taylor, in the spring of 1910. A protracted illness resulted in his death on Wednesday morning, February 28, 1917.

Those left to mourn his loss are his wife and children, Charles, of Taylor; Mrs. Burr Jones, Mrs. George R. Mabie, Mrs. William Crawford, all of Evansville; Harriet of Taylor; his mother, Mrs. Roxy Cushman, of Rewey; and brothers, Bert, of Beloit; George, of Platteville, and Jeff and Ezra, of Rewey.

The deceased was well and favorably known for his industry and neighborliness. He was a good husband and a kind father; a man of strong convictions, but withal kindly genial and conscientious. His long-drawn-out suffering was sweetened by the faithful, loving care, by day and by night, of his dear ones.

ansville, Platteville, Lancaster, Chapel Hill, N. C., and California.

The organization was formed in 1928 and the first meeting was held in August of that year at Mineral Point. Attorney M. S. Block, Platteville, was elected president and Mrs. Owen Hughes, Madison, was elected secretary and treasurer.

The beautiful park at Mt. Horeb was chosen for the 1929, 1930 and 1931 reunions.

During that time Burr Jones, Evansville, was elected president and Mrs. F. E. Frazee was elected secretary and treasurer.

The 1932 reunion was held in a tourist park near Evansville and at that meeting it was decided to meet in Platteville for a few years owing to the age of the older members who resided at Rewey and Platteville.

During those meetings Harvey Cushman, Potosi, was elected president and Mrs. Lee Baker, Platteville, secretary and treasurer.

In 1938 and 1939 the meetings were again held in Leota park, Evansville, and Mrs. Burr Jones was elected president and Mrs. F. E. Frazee was elected secretary and treasurer.

In 1940 and 1941 the meetings were held in June at Rewey at the late J. H. Cushman residence, now owned by his two daughters, Mrs. F. E. Frazee, Janesville, and Mrs. M. S. Block, Platteville.

There has been a large attendance each year at the meetings and they have proved very happy gatherings.

Since organizing three of the older ones, sons of the late Cephas and Roxy Cushman have passed on—J. H. Cushman, Rewey, died 1937, age 80; George Cushman, Platteville, died 1938, age 87; Ezra Cushman, Rewey, died 1942, age 82.

The remaining son, C. B. Cushman of Milwaukee, survives of that generation and attends the reunions regularly.

The first ancestors of this family came here from England in 1620.

Robert Cushman came at this time and his son, Thomas, was the first minister to preach to the colonists later.

R. J. Antes recently received a letter from Wayland Cushman, former Evansville resident who left last fall for California and is now employed there near Long Beach. Excerpts of the letter follow.

Dear Bob: "How's things in the old home town? I imagine they are about as usual. The weather should be pretty good by now. We have had a fine winter, some 32 and 34 degrees early mornings but 8 or 9 o'clock the temperature would be back around 70 and 80 degrees.

"It seemed good not to have to bother with anti-freeze and chains this past winter. I worked until 1 a.m. and many mornings it would be 48 degrees when I would get home. Last week Dad was 75 years old on Tuesday so we celebrated by going to Long Beach, 15 miles west of here to see Russell Bros. circus and William Antes. "Bill" and his wife were talking to a man and I walked up and tapped him on the shoulder and said, 'Aren't you trespassing a little by killing out the grass here?' Bill turned around and his lower jaw dropped, then he flashed his familiar smile and shook hands with me. We visited awhile and he pulled a pad of passes out of his pocket and tore off three for my sister, Dad and me.

Former Local Girl Japanese Prisoner

**Mrs. Burr Jones Gets Message
Stating Relatives Are
Safe In Islands**

Mrs. Burr Jones, this city, received the following communication Tuesday from the department of state in Washington, D. C., regarding her niece, Mrs. Leonard P. McDonald, formerly Bernardeen Cushman of Evansville.

"The M. S. Gripsholm has recently arrived at New York from Mormugoa, Portuguese India, where the second exchange of American and Japanese nationals took place. The department's representatives aboard made a special effort during the return voyage to obtain from the persons repatriated information concerning American nationals remaining in the Far East. The information received with respect to the persons named below in whose welfare you have expressed an interest is furnished in the belief that you will wish to have it even though it has been received from unofficial sources.

"Mr. and Mrs. Leonard Paul McDonald and daughter, Earlys Lellani, are at Santo Tomas. Mrs. McDonald worked in the Philippines Red Cross (American National Red Cross) until the organization was confiscated in April, 1942. She is now in the camp and very active doing special social service work. She and her husband are both very well, have their own shack and there is no cause whatsoever for concern about them. The daughter is well and receives the best of care at Holy Ghost college near Malacanan (the children's home and school for Santo Tomas internees.)"

Santo Tomas university at Manila, Philippine islands, is the site of an internment camp for civilians. The McDonald family was in Manila when it was taken by the Japanese. Before her marriage, Mrs. McDonald taught in Honolulu and was later a public health nurse there. She was married in the Philippines, her husband being a navy man and residing near Manila.

—V—

Early in March a message was received here stating that Mr. and Mrs. Leonard McDonald, who had been recently released from a Japanese prison, were seriously ill but their daughter, Earlys, was in good physical condition.

On March 15, another message arrived stating that the McDonalds were regaining their health and they hoped to return to the States at an early date. Early this week Mrs. McDonald, formerly Miss Bernardine Cushman, this city, called her sister, Phoebe, who resides in central Wisconsin and told her that they have landed in Santa Rosa, Calif., and will come to Wisconsin soon.

Mr. McDonald lost 66 pounds during his imprisonment and Mrs. McDonald weighed only 90 pounds when she was released. Earlys was 30 pounds underweight. Mrs. McDonald is a niece of Mr. and Mrs. Burr Jones, Mr. and Mrs. Warren Rodd and Mr. and Mrs. George Mable, this city.

Cushman Reunion Is Held In Belmont Park

Many Members Of Pioneer Family Attend 20th Annual Picnic Sunday, June 15

The 20th reunion and picnic of the Cushman family was held on Father's Day, June 15th, in the beautiful park located at Wisconsin's first capitol near Belmont and Platteville. This capitol building was erected in 1836 when Wisconsin was a territory and it was in this building that the law makers first met, to shape the destinies of what was, to be, a great state, 12 years later.

A large number of the family was present to enjoy a bounteous picnic lunch at noon.

Mrs. Frank Frazee of Rockford, Ill., read the minutes of the last reunion held on Father's Day, June 16, 1946, and Mrs. Frazee also gave a history of the reunions held for many years back.

It was during the life time of Mrs. Frazee's grandparents, Mr. and Mrs. Cephas Cushman of Rewey that a reunion of this large family was held each year on Christmas Day in their spacious home in Rewey and this custom was continued until their demise in 1913 and 1918.

Then followed many years of inactivity but in August 1928 when a large number of the family came to Evansville to attend the funeral of Mrs. Frank Cushman, it was decided, to again hold the reunions, so a time was set one week later and the first meeting was held in the Mineral Point city park and from then on a reunion and picnic has been held in various parks in southern Wisconsin, first in August and later on Father's Day in June was chosen each year.

These meetings are greatly enjoyed by all who attend and there are many who have perfect attendance records.

Those who journeyed from a distance to attend were: Mr. and Mrs. C. B. Cushman, Milwaukee; Mr. and Mrs. Owne Hughes, Madison; Mr. and Mrs. Clarence Finke, Milwaukee; Mr. and Mrs. Frank Frazee, Rockford, Ill.; Miss Marjory Ann Frazee, Rockford, Ill.; Mr. and Mrs. Roy Matthews, Dubuque, Ia.; Mr. and Mrs. Burr Jones, Evansville, Wis.; Mrs. George Mabie, Evansville, Wis.; Mr. and Mrs. Sherman Cushman, Milton Jct., Wis.; Mr. and Mrs. Harve Cushman, Lancaster, Wis.; Mr. and Mrs. Ray Cushman and children, Po-

tosi, Wis.; Mr. and Mrs. Graydon Cushman, Potosi, Wis.; and Mrs. Jessie Cushman, Rewey, Wis.

The oldest member present was Mrs. Jessie Cushman of Rewey who is 82 years old. Mrs. Cushman is the mother of Mrs. Owen Hughes and Mrs. Clarence Finke.

The family reunion will be held in the same place next year on Father's Day in June.

Hold Cushman Family Reunion Fathers' Day

Relatives From Many Cities Attend Annual Event Near Platteville

The 24th annual picnic and reunion of the Cushman family was held on June 15, Fathers' day, in the park at Wisconsin's first capitol, near Platteville and Belmont. Seventy were present from the following cities: Baraboo, Sauk City, Madison and Evansville, Wis., and Rockford and Rockton, Ill., and a large number also attended from Platteville, Belmont, Darlington, Lancaster and Potosi. Mrs. Walter West and son of Washington, D. C., came from the greatest distance.

Mrs. West is well known to her Evansville friends as Dorothy J. Block, who taught in the local school a few years ago. The picnic tables were set under the beautiful maple trees at the west end of the park where the trees provided abundant shade throughout the day. The picnic luncheon was served cafeteria style and the afternoon was spent in a social manner.

Robert Cushman, a direct descendant of the fine old family, came from England to Plymouth in 1620 but remained only one year owing to ill health. However, he left his 14-year-old son, Thomas, in the care of Governor Bradford. Later on Thomas preached to the colonists and he later married Mary Allerton. They were parents of a large family and as the children grew up they moved westward to Pennsylvania where the grandparents of Mrs. Burr Jones and Mrs. Frank Frazee were born. This couple came in a covered wagon to Grant county, Wis. in about 1860.

Several other brothers and their families followed and the parents of Cephas also came. Most of those who attended the Cushman reunion are direct descendants of the Cephas Cushman.

Mrs. Burr Jones, Evansville, is president of the group; Mrs. Lee Baker, Platteville, vice president, and Mrs. Frank Frazee, Rockford, Ill., secretary and treasurer. It was decided to hold the next reunion June, 1953, at the same location. Mr. and Mrs. Burr Jones were among those attending the reunion.

"It's A Small World"

Rollie Bowen of Pomona, California, writes as follows:

A part of my early years sets on the corner of White Ave. and Arrow Highway in the city of LaVerne, California.

There is an old Antique Shop at the location mentioned and here I found this old windmill.

Even more interesting to me is the fact that there is a strong

possibility that my grandfather and also my uncle could have participated in the assembly of this unit.

My grandfather was the former Noble Cushman and my uncle is Wayland Cushman of Downey, California.

Everytime I go by this location, I think of the good times that I experienced in Evansville as a boy.
