## FAREWELL RECEPTION.

A banquet and reception was given Mr. Fred Franklin by his associates in the Grange store, last Tuesday evening; the upper floor of the store was used for the occasion, and a most delicious spread was served, and a very pleasant evening was spent. Mr. Franklin was the recipient of a beautiful gold chain, a gift from the proprietors and clerks, with whom he has been associated for so many years.

Mr. Franklin has severed his connection with the Grange, and we are informed will act as salesman for the Franklin Bros. Bluing company, he being the junior member of the firm. While the people of this city and vicinity will regret Mr. Franklin's departure from our midst, yet all will join in wishing him abundant success in his new field.
